Sir:

RESPONSE TO OFFICIAL ACTION – RESTRICTION REQUIREMENT

Applicant submits this Response to the Official Office Action mailed March 13, 2006, which imposed a restriction requirement.

In response thereto, Applicants elect Group I, claims 1-20, drawn to a fuel composition comprising a spark-ignition. This election is without traverse.

The independent claim reading on the elected invention is claim 1. Claims 2-20 add additional features and should remain in the application as appropriate dependent claims. For the Examiner's convenience, this Response is accompanied by a listing of the claims of the elected invention described above.
